

Hi ATA members,

I have been teaching since 2004 and would like to introduce myself as your elected ATA Treasurer. Here you will find a brief description of what this position entails. The treasurer works 12 months and takes care of doing the monetary transactions for the local chapter of CTA, including banking, taxes, audits, bills, and anything else that comes up.

As a non-profit organization, the treasurer and the office staff (Tammy and Helen Dahlstrom) all oversee the income and expenditures of the union to continue to maintain this tax-exempt status. This oversight keeps our dues substantially lower than other local chapters.

In addition to the above, I assist with updating and organizing our monthly budget. This information on a spreadsheet is discussed at Executive Board meetings and explained further at Representative Council meetings.
